Referring back to your goal setting document and your experience being involved in the research over the last months please take a moment to reflect on the following questions.

- What roles have you taken on in the project so far?
- How are you feeling about your role?

Is your participation in the project what you assumed it would be?

- Do you feel your contribution is meaningful and valued? How do you know?
- Describe any added stress you might be experiencing from your involvement in the project.

Is there anything that could be done differently in the project that might support you with reducing stressors?
What have you enjoyed about your experience so far?
9 What would you like to see changed?
