

ARE YOU A PARENT/CAREGIVER OF A CHILD WITH A NEURODEVELOPMENTAL DISABILITY?

(e.g., Autism, ADHD, or other)

Do you want to be a member of a **caregiver advisory council** and help us identify **support needs** that are important to caregivers?

WHAT IS THE STUDY ABOUT?

This study aims to identify **caregivers'** most pressing **support needs** and **research priorities**.

WHAT DOES PARTICIPATION INVOLVE?

- **Taking photos** to identify support needs.
- **1.5 hour interview** to discuss your experiences.
- **1.5 hour virtual workshop** to share/discuss photos.
- **1.5 hour virtual meeting** to share findings.
- Provide **feedback** on an infographic.

WHO CAN PARTICIPATE?

Parents or caregivers living in Canada who are:

- from racial or language minority groups
- Indigenous
- fathers
- living with a disability
- low-income
- immigrants or refugees
- live in rural or remote areas

WHAT WILL YOU RECEIVE?

An **honorarium** will be provided for your participation

TO PARTICIPATE
